You are Not a Sinner but a New Creation: EW Kenyon Teachings

https://www.youtube.com/watch?v=FNnPPsqw_H4

This teaching, rooted in the work of *E.W. Kenyon*, explains that the new birth is a legal and spiritual transformation, not just a moral improvement. Below is a summary of the core concepts.

The Reality of the New Creation

- **Definition:** The Greek term *kaine ktisis* (2 Corinthians 5:17) does not mean a restored or cleaned-up version of the old self. It means an **unprecedented, new species**—a category of being that did not previously exist (6:55-7:45).
- **The Divine Deposit:** At salvation, a believer receives *Zoe* life—the uncreated, self-sustaining life of God Himself—into their spirit. This is different from *bios* (biological life) which is subject to death and sickness (8:20-9:55).
- **The Indwelling Mystery:** *Colossians 1:27* reveals the secret: "Christ in you, the hope of glory." The same power that raised Jesus from the dead is now active and authoritative within the believer (10:30-11:45).

Stop Being a Beggar, Start Enforcing

Most believers struggle because they operate with a "servant mentality" rather than an "heir mentality."

- **The Legal Framework:** The New Covenant is a binding, legal document ratified by the blood of Jesus. It is not an emotional experience but a **verdict** rendered by the highest court in the universe (17:35-18:25).
- **Stop Begging:** You are not a petitioner asking for favor; you are a covenant heir enforcing rights already granted (21:45-22:20).
- **The Three Practical Tests:**
    1. **Feelings:** When symptoms or circumstances argue against the Word, do not debate them. Silence them with "It is written" (34:35-35:50).
    2. **Well-meaning people:** Others may call your faith "denial" or "lack of realism." Let your life and results do the preaching (36:10-37:25).
    3. **Religious Condemnation:** Do not allow the "spirit of religion" to make you doubt your standing. You are who God says you are, regardless of human opinion (37:28-38:50).

Covenant Comparison Chart

Feature	Servant/Orphan Mindset	Covenant Heir Mindset
Posture	Begging at heaven's door	Enforcing the verdict of Calvary

Action	Hoping for a breakthrough	Walking in established authority

Daily Steps for the New Creation

1. **Declare your covenant:** Stop describing the problem; speak the legal truth of your healing and provision (26:40-28:55).
2. **Feed your spirit:** Treat revelation knowledge with the same priority as physical food (28:55-31:30).
3. **Practice the Presence:** Throughout the day, acknowledge the Greater One living inside you (31:30-33:50).
